 3. **Scientific Data Processing (5 Credits)**
Course number (exercise): MH16000601
 4. **Choose two out of four – Health Science Research:**
 - (1) **Nutrition (8 Credits)**
Course Number (lecture): MH16000701; Course number (exercise): MH16000702
 - (2) **Physical Activity (8 Credits)**
Course Number (lecture): MH16000801; Course number (seminar): MH16000802; Course number (exercise): MH16000803
 - (3) **Psychology (8 Credits)**
Course Number (lecture): MH16000901; Course number (seminar): MH16000902
 - (4) **Health Economics (8 Credits)**
Course Number (lecture): MH16001001; Course number (exercise): MH16001002
- *The Course Number you can find in TUMonline to choose the courses. Further, you have to **register to the courses** in TUMonline!
- Courses of all listed modules are only offered in the 1. and 3. Semester (winter semesters).
- If you don't take all the intended courses in the first semester (or you don't pass the exam), you have to pass at least **one** of the following modules **by the end of the second semester**:
 1. Health and Society (5 Credits)
 2. Study Design; Ethics (5 Credits)
 3. Scientific Data Processing (5 Credits)
 4. Advanced Statistics (Module of the 2nd semester)
 5. Qualitative Research Methods (Module of the 2nd semester)
- **Further, you have to watch out, that you have earned a minimum of 30 Credits by the end of the third semester**, see general academic and examination regulations for Bachelor's and Master's Programs (APSO, §10).

Matrix-Chat groups for exchange: we recommend joining the Matrix-Chat groups for your degree program. In these groups you can exchange ideas on any topic, share information about events, part-time jobs, internships, etc., and you will also receive news about your studies.

Check back regularly: [master_health_science \(mhs:tum.de\)](https://mhs.tum.de) Instructions for the Matrix-Chat as well as links to mobile and desktops apps can be found at <https://wiki.ito.cit.tum.de/bin/view/CIT/ITO/Docs/Services/Matrix/>

Peer Program: We would like to support our new international students to get in touch with their fellow students and to network with each other. Please find more information on the website: <https://www.mh.tum.de/en/mh/academic-programs/sport-and-health-sciences-programs/prospective-students/peer-program-for-first-semester-students-freshmen/>
