* Offered exclusively to students enrolled in Coaching programs at their home university.

** Available only to students whose national federation in the sending country certifies that they compete in the sport or perform at a high level. The list of eligible sports will be announced prior to the registration period.

IMPORTANT!

Before preparing the Learning Agreement, students must submit their preferred courses to the Mobility Coordinator via email or through the forms link provided.

Please note that course places are limited due to capacity constraints; therefore, modifications to the Learning Agreement may be required after finalizing course registration in the Neptun system.

Once approved by the home university, the Learning Agreement must be sent to the Mobility Coordinator at HUSS (mobility@tf.hu).
