Language requirements	The recommended English language proficiency for exchange students at the start of their study period is B2 according to the Common European Framework of Reference for Languages (CEFR)
Host language courses	**Lithuanian Language courses** are available at LSU. The courses have 5 ECTS credits.
Accommodation	For incoming students LSU offers accommodation in one of the two students' dormitories situated in the area of the University campus. https://www.lsu.lt/en/studies/practical-information/student-housing/
Insurance requirements and other costs payable by the student	**All international students are requested to bring a health insurance valid in Lithuania** for the study period or obtain it from Lithuanian insurance companies upon arrival. Please pay attention to the essential things that must be indicated in your insurance policy: • The health insurance contract (policy) guarantees that all basic medical assistance costs and travel expenses which may arise in connection with the return (for health reasons) of a foreigner to his/her home country (medical transportation, including escort by medical brigade or a doctor) will be covered; • Number of health insurance contract (policy); • Information about the insurance company (name, address of registered office, telephone and fax numbers); • Full name of insured person; • The amount of health insurance contract (not less than € 6000); • Duration of health insurance contract (at least until the end of study period); • Territorial coverage of health insurance contract (policy); • Non-insured events (risks not covered). Students from the EU/EEA countries may use the European Health Insurance Card (EHIC) that guarantees overseas medical insurance in institutions that have agreements with State Patient Fund. For more information please visit the website www.vlk.lt (Choose English version). http://www.lsu.lt/en/studies/practical-information/health-care-insurance/ **However, a travel and health insurance are strongly recommended for students from EU/EEA countries as well.**
Visa	The citizens of countries who need visas for entering Lithuania have to get them while being in their home country because there is no possibility to get a visa at the customs while entering Lithuania. Considering that visa regulations can change, please contact the Lithuanian Consulate or Embassy in your country to update visa rules. Please check the website **(for all incoming students)** https://www.lsu.lt/en/studies/practical-information/visa-residence-permit/
Medical certificate of good health	***Important!*** You need an original certificate of good health from a medical doctor or hospital stating that: 'you do not suffer from any chronic illness(es) and you are medically/mentally fit to study and do sports', which attests that you are in good health and fit for practical courses in sports. This certificate must not be older than 3 months at the time of registering.
